ADD TO CART

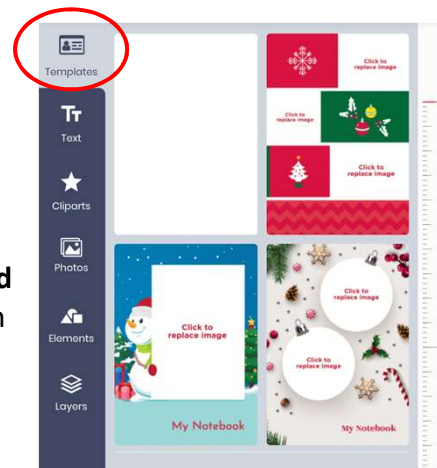

UPLOAD OR DESIGN

- If you have your own finished artwork, you can choose “Upload a full design”. If not, choose ‘Design here online’ to begin customizing your card.

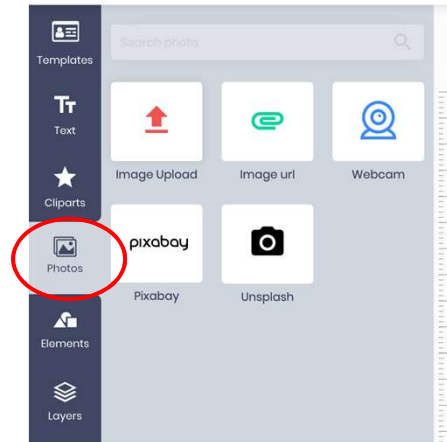

CHOOSING YOUR TEMPLATE

- Click on the template icon in the sidebar.
- Click on the template you wish to use.
- You may either pick one of our **predesigned** templates or design your own product with a **blank** template.

UPLOADING IMAGES

- Click on the **'Photos'** icon in the sidebar.
- You may choose to upload your images from the options: **image upload, image url, webcam, Pixabay, or Unsplash.**

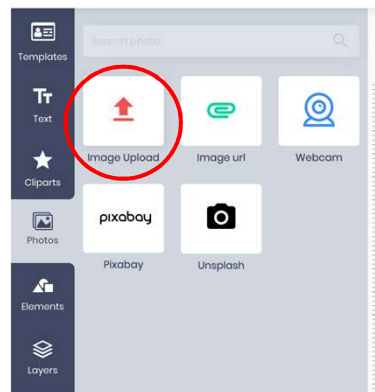

UPLOADING IMAGES: IMAGE UPLOAD

- Step 1. Click **'Click to replace image'**, you will see **'Drop to replace'** box appeared

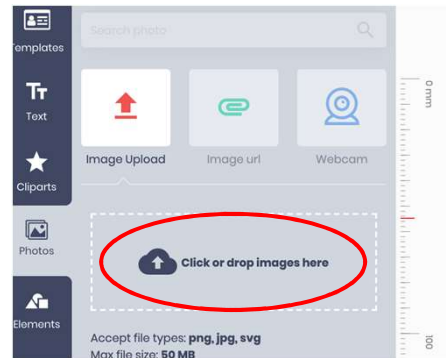

- Step 2. Select **'Image Upload.'**

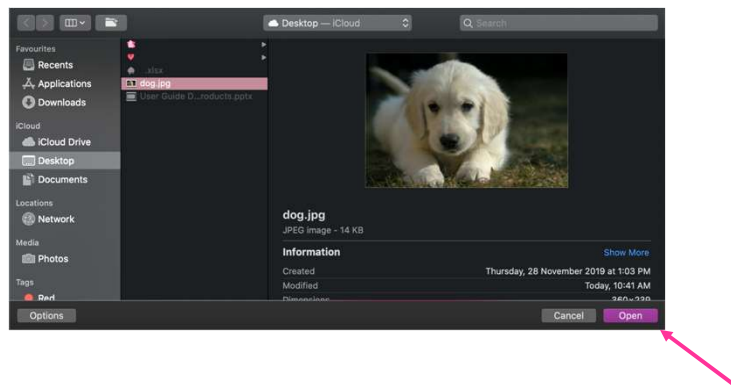

UPLOADING IMAGES: IMAGE UPLOAD

Step 3. Click on 'Click or drop images here.'

UPLOADING IMAGES: IMAGE UPLOAD

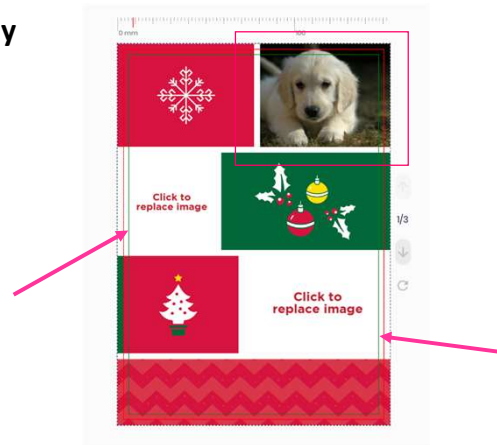

Step 4. Select your desired image -> Click on 'Open.'

UPLOADING IMAGES: IMAGE UPLOAD

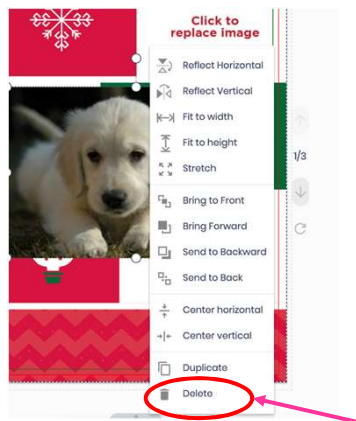

Step 5: Your selected image will be **automatically resized** and inserted into the design

Step 6: Repeat steps to replace other images.

UPLOADING IMAGES: IMAGE UPLOAD

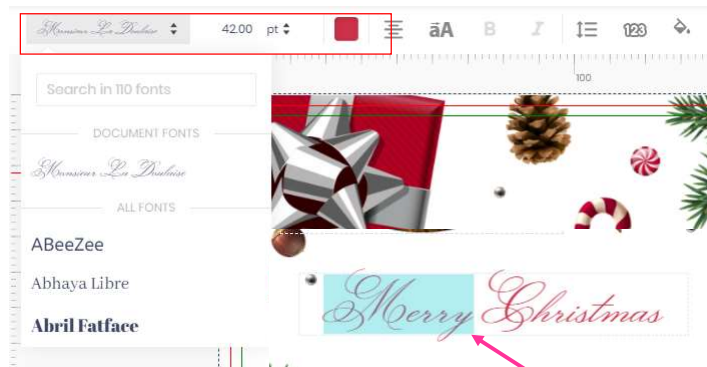

- If your uploaded image does not fit into the box, right click to **delete** the image and **repeat step one**.

CHANGING TEXT

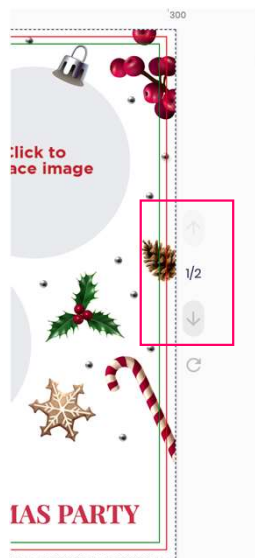

- **Double-click** on the text you would like to change -> **Backspace** -> Type your desired text.

Change Font, Size and color here

Double click to change text

DESIGNING DIFFERENT PAGES

- Use the up/down arrows to design the other pages of the card.
